

Center for Aviation Competence

University of St.Gallen

**Safety&Security Management Module
06th-09th September 2022
in St. Gallen**

*“From insight
to impact”* 

The Safety & Security Management Module, which is part of the CAS in Aviation Accountability, Safety and Compliance Management Program, will take place on **6th – 9th September 2022 in St. Gallen**. This module explains how to be compliant with regulation and offers tools and practices to be efficient. Furthermore, the module also discusses cultures and how to achieve cultures that increase safety.
